Selected Midwifery Educators would have to sign a **bond of 2 lakh INR** stating that they would be willing to commit 5 years to training of Midwives. They should also be willing to continue clinical practice during the above duration.

- The selected Midwifery Educators should register with the state nursing council, if the registration is outside the state.
- Candidates with domicile outside the state of Madhya Pradesh, will be considered in the General Category for reservation.
- In-service employees may also apply, however they will have to relinquish their service prior to joining Midwifery Educator course.

**Contractual Agreement:**

- Contractual agreement will be with the NHM for a period of one year, that may be renewed.
- Renewal of contract will be on the sole discretion of the employer based on performance and administrative factors.
- Contract will be discontinued if the candidate fails in the competency based test during the third and sixth month of training.
