Sub: Training for Anaesthetist in Simulation Based Ventilator Course.

Training programmes for Anesthetists working in government health facilities are being planned at Fortis Healthcare and Research, Gurugram as per following:

- Second Batch from 30 March-01 April 2020.

This Course was envisaged keeping in mind the training needs of the critical care community at large. It contains a mix of theoretical lectures and simulation based clinical Scenarios. Simulation Scenarios include:

- How Intubate the patient
- Intubation in Crisis: handling difficult intubation
- How to start patient on mechanical ventilation
- Basics of Ventilatory modes
- COPD
- Vent Asynchrony
- ARDS management on Ventilator
- Ventilatory strategy on Corona Patient
- Recruitment Strategies to name a few
- The candidates are divided into batches of five each and are expected to manage the simulated scenarios on their own with the help of simulator faculty

Furthermore:

- MCQ based Pretest Questionnaire is handed over to the candidates to understand their theoretical knowledge of Ventilator.
- Similarly a Post Test MCQ exam is also taken at the end of the workshop to assess the gain in knowledge.
- The faculty consists of both local senior Intensivists and National faculty from Delhi.
- The course also includes Hands On Training on Ventilator.
- Experience on real time patient.

All the Anesthetist nominated for Simulation Based Ventilator Course as per attached list must ensure following –

1. They should reach Fortis Health Care and Research, Gurugram one day prior to the commencement of training programme.
2. TA/DA to the participants to be paid from their place of posting.
3. Participants will be provided Morning/Evening Tea & Lunch during training hours.
4. Stay, dinner and breakfast will be borne by the delegates (Fortis Healthcare will help to find the accommodation if needed).
5. How to reach Fortis Healthcare & Research, Gurugram:-
   
   A. From New Delhi railway Station: Direct New Delhi metro station (yellow Line) to HUDA City Centre.
   
   B. From Nizamuddin Railway Station: Nizamuddin Metro (pink line) station interchange from INA (yellow Line) to Huda city centre (The Delhi Metro Train timings are from 5.30–6 am till 11–11.30 pm.)
